

Identity Stolen?

ACI's Identity Theft Prevention and Recovery

ID Theft is one of the fastest-growing crimes in the U.S.

With legal and financial experts on call, ACI's Employee Assistance Program can help.

Prevention

Be prepared with information on how to protect private information from being stolen. With ACI's financial experts:

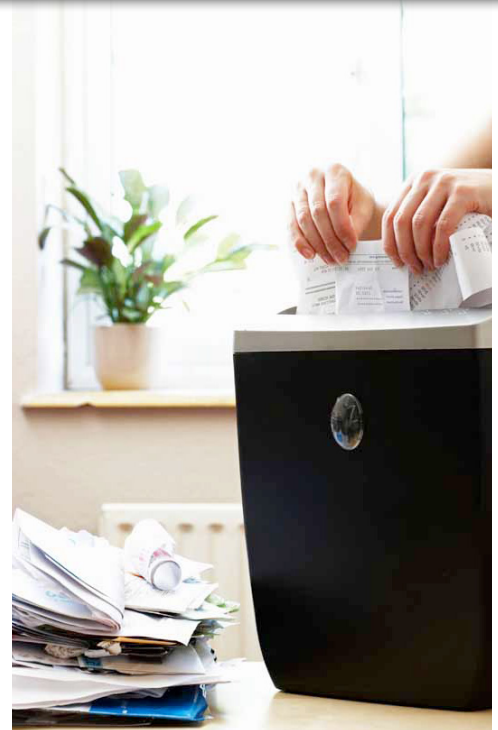

- Learn how to review a credit report for free
- Receive contact information for the three major credit-reporting agencies
- Know the signs and be able to recognize when identity theft has occurred

Recovery

When strange charges show up or a credit score comes back unusually low, call ACI and receive:

- ID Theft Kit. A step-by-step guide to taking charge when your identity is stolen.
- Free 60-minute telephonic identity theft consultation with a financial planner
- Identity Theft Emergency Response Kit

Get peace of mind with ACI's ID Theft Services. Call ACI for a free consultation.
