

# Just▶Do▶It TRAINING

Enhance your corporate training programs  
with **ACI's Training Solutions.**

ACI Specialty Benefits created the Just-Do-It training program as a hassle-free alternative to workforce training and development programs. ACI conveniently offers managers, supervisors and HR professionals with all necessary materials to deliver dynamic on-site trainings to any sized group, at any time. No outside facilitators needed.

“ The training presentation you sent to me was perfect. It could not have been a more appropriate topic - it was the perfect culmination for our management training program that we have been doing this past year. I cannot thank you enough for being so responsive to our needs. ”

*Sandie Morrison  
Director of HR  
Shasta County Office of Education*

With more than 20 years experience providing effective on-site corporate education, ACI offers all the tools and consultation needed for greater organizational and individual employee success.
